

Gonville Academy School Sports Impact Report 2014 – 2015

What is the Sports Premium?	
<p>The government has provided £150 million per year for the academic years 2013 / 2014 and 2014 / 2015 to increase funding for school sports. The funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to Headteachers to enable them to improve the quality of PE and sport for all children. Each school receives £8,000 plus £5 per pupil per year. At Gonville Academy, this means we will receive approximately £10, 625 per year. Schools must spend this on improving their sports and PE provision, but can choose how to do this.</p>	
Number of pupils on roll (as of September 2015):	525
Basic grant:	£8,000
Additional amount per pupil £5 x 525	£2, 625
